

### **Reserve Yield Plus Fund To Distribute \$43 Million**

New York, January 5, 2010 – The Reserve is pleased to announce that it will begin the fourth distribution to Yield Plus Fund shareholders beginning on January 6, 2010. The distribution represents approximately 50% of the remaining \$85.5 million in total Fund assets as of the close of business on December 21, 2009. After this distribution, approximately \$1.09 billion (representing approximately 94% of assets as of the close of business on September 15, 2008) will have been returned to investors.

“We are very happy to take another significant step in getting money to our shareholders,” said Bruce R. Bent, president of Reserve Management Company, Inc., the Fund’s adviser. “We continue to work as quickly as possible to finalize the liquidation of the Fund while treating all shareholders equitably. Thank you for your patience.”

This distribution represents principal only and was paid pro rata to all investors remaining in the Fund, including those who submitted redemption orders that had not been funded and those that have not submitted redemption orders. The income accrued after September 14, 2008 will be addressed on or about the time of the making of a final distribution to investors.
